AN ONLINE SPIRITUAL
COACHING COURSE

Live your life
purpose is freedom

RECLAIM YOUR FREEDOM AS A CONSCIOUS BEING.

In this coaching, you focus on achieving the state of a leader, not the status. Status comes from society.

The state of a leader comes from your being which is matured enough to handle what you are entering or the responsibility which you are assuming.

The key lies in taking responsibility for everything happening inside and outside of you. This quality awakens leadership consciousness in you, Ishwaratva, you become lord of your own life.
